GOOD NEWS

November 19, 2023 | John Robertson

Romans 10

"The Good News is not just good news, it's great news. The nuance of the Greek word gospel literally means that this news is 'almost too good to be true.' In our world, when something seems too good to be true, it usually is. But this is not the case with the gospel of Jesus Christ. The news is true and incredible. Paul reminds us that beautiful are the feet of those who bring the good news and announce it to the world!"

-Juli Camarin, jcblog.net

Today, we will look at two game-changing observations Paul makes in Romans 10 about the good news of Salvation.

The Good News of Salvation is for Everyone

(Romans 10:1-13)

The Good News of Salvation Needs Everyone to Share the Good News

(Romans 10:14-15)

*Remember, salvation may be one conversation away.
